

MN Association of Library Friends Event and Programming Grant

A library's Friends organization is one of its most valuable resources – a wellspring for innovative event and fundraising ideas. But while creativity and initiative may not be in short supply, funds to kick-start such programs usually are. In our continuing efforts to bridge that gap, MALF wants to help you with an "Event and Programming Grant." Friends of the Library groups of all sizes are encouraged to apply, provided they serve a Minnesota library and are current in their MALF membership. (If necessary, annual membership dues may be submitted along with application materials.) Grant amounts vary, depending on need.

Applying is easy. Simply fill out this form and mail it, along with supporting documentation, to **MALF, 325 Cedar St., Ste. 555, St. Paul, MN, 55101**, OR email these to us as attachments at **info@mnlibraryfriends.org**. Visit mnlibraryfriends.org for more details.
